December 12, 2012

Dear Community Resident:

In accordance with Section 204 of the New York City Charter, the Mayor has submitted for review and comment, the Citywide Statement of Needs for Fiscal Years 2014 and 2015. The purpose of this statement is two-fold: to inform the public at the earliest possible stage of the City's future needs for facilities and the specific criteria for selecting their locations; and to provide information about the existing distribution of City properties.

The Statement of Needs, the Atlas of City properties and the Criteria for the location of City Facilities adopted by the City Planning Commission are now available for review by the residents of Community Board 14. The Statement of Needs describes City facilities, that are proposed for closing or expansion in the next two (2) years. Community Board 14 will be submitting comments on these documents no later than February 28, 2013.

To that end, a public hearing has been scheduled to provide an opportunity for public comment on these important documents, prior to the next regular monthly meeting of the board as follows:

DATE: Wednesday, January 9, 2013

TIME: 7:30 PM

PLACE: CB14 District Office
810 East 16th Street
(between Avenue H and the Dead End)
Brooklyn, New York

Please do not hesitate to contact our office if you have any questions on the attached.

Sincerely,

Shawn Campbell
District Manager
