Borough: Brooklyn

July/August 2013

Reconstruction of Church Avenue (From Flatbush Avenue To Rogers Avenue) Project ID#: HWKP2026

The NYC Department of Design and Construction (DDC) continue work for the Church Avenue Project in the Flatbush area of Brooklyn within Community Board Districts 14 and 17. This project which began in Fall 2012 is anticipated to be completed in Spring 2014.

The general scope of the project includes sub-surface and street level improvements, replacement of existing infrastructure (combined sewer, catch basins and manholes/chambers).

Work Schedule: July/August 2013

Church Avenue between Flatbush Avenue and Rogers Avenue:

- Installation of 12" Watermain
- Installation of Curb and Sidewalk

Work Completed As Of June 2013:

Installation of:

- 947 linear feet of 15" sewer
- 11 Manholes
- 10 Catch Basins
- 318 linear feet of Shute Connections

Installation of catch basin at the intersection of Church Avenue and Flatbush Avenue with temporary asphalt overlay until final roadway paving occurs.

What Are The Community Impacts?

The DDC is committed to maintain a work site that is safe and clean. However, dust noise and heavy equipment are common elements of construction and we ask for your patience during the project. There may be limited street access on certain blocks. However, deliveries to commercial and residential properties and emergency vehicle access will be allowed. In addition, the DDC will be baiting the construction zone on a regular basis to control rodent populations.

Student Pick-Up/Drop Off

- Where construction impacts school pick-up and drop-off areas, the DDC will coordinate with the NYC Department of Education (NYDOE) and school officials to ensure these locations are safe, clearly marked and maintained.

Pedestrian/Traffic

- **Pedestrian access**- to buildings will be maintained at all times.
- **Street closures/Traffic detours** – partial closures and/or limited access of intersections and streets. Half-block closures may be necessary. In the event of half-block closures, the street will be closed to through-traffic, but emergency vehicle access will be allowed. Signs will be posted.
- **Vehicular access**- may be restricted in certain locations,
- **Parking**- will be temporarily restricted so construction may proceed. Signs will be posted where necessary.
- **Driveway/loading dock access** – may be temporarily restricted.

Public Transportation

- **Bus Relocation/Rerouting** – where and when necessary, the **B44** and **B49** bus may be detoured in/around the work zones.

Special Needs:

Please let the Community Construction Liaison (CCL) know if there is anyone in your household or building that has special needs, so that we can coordinate our construction activities accordingly. For more details, please contact our Community Construction Liaison.

NOTES:

B35 BUS DETOUR

To facilitate work operations, the NYC Transit (NYCT) will temporarily detour the eastbound and westbound B35 buses from Flatbush Avenue to New York Avenue for the duration of the project.

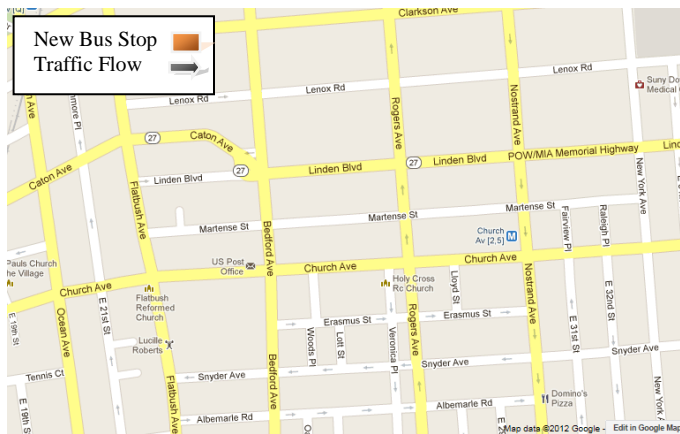

EASTBOUND TRAFFIC

Rerouting from Church Avenue to Linden Boulevard between Flatbush Avenue and Nostrand Avenue: Regular route via Church Avenue to Flatbush Avenue; Left onto Flatbush Avenue; Right onto Linden Boulevard; Right onto Nostrand Avenue; Left onto Church Avenue then continue via regular route.

B35 – Eastbound: New/Temporary Bus Stops/Pattern Changes

- On Church Avenue between East 21st Street and Flatbush Avenue.
- On Linden Boulevard between Bedford Avenue and Rogers Avenue.
- On Linden Boulevard between Rogers Avenue and Nostrand Avenue.

On Nostrand Avenue between Linden Boulevard and Martense Street.

Newsletter Distribution:

Construction Newsletters will be distributed within the project area and at key locations including:

- Brooklyn Community Boards 14 and 17
- CitiBank
- Chase Bank

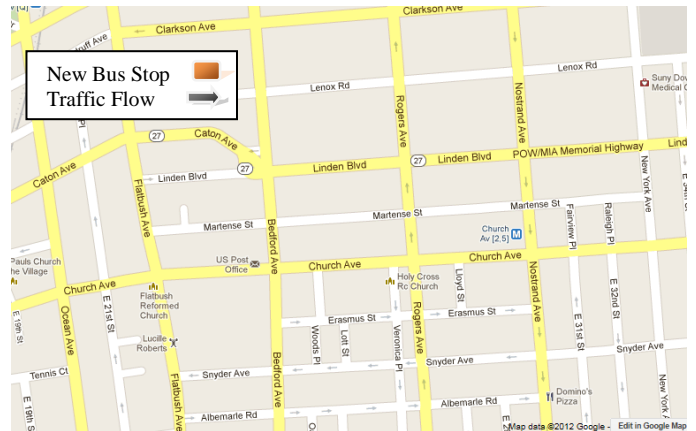

WESTBOUND TRAFFIC

Rerouting from Church Avenue to Linden Boulevard between New York Avenue and Flatbush Avenue:

Regular route via Church Avenue to New York Avenue; Right onto Rogers Avenue; Left onto Linden Boulevard then continue to Caton Avenue; Left onto Flatbush Avenue; Right onto Church Avenue then continue regular route.
