

Troop 6000 of the Girl Scouts of Greater New York is a troop specially created for girls experiencing homelessness and living in the shelter system, please watch this quick [video](#) to get an idea of our vision.

Our goal is to expand Troop 6000 to 15 shelters citywide over the next year. The girls are ready to earn their badges, go on camping trips, and participate in other Girl Scout programs! We need your help to secure volunteer troop leaders who will be their cheerleader, guide, and mentor, helping girls develop essential life skills and confidence that will last a lifetime!

**Please post on social media and newsletters that the first Troop 6000 volunteer training is on Saturday, September 30<sup>th</sup>. We need troop leaders to volunteer! Troop leaders will be trained to volunteer at shelters across Brooklyn.**

We are so excited to lead this ground-breaking program and hope we can count on you to help us bring the community together to support Troop 6000's expansion throughout the New York City shelter system!
