Virtual CB14 meetings

We hope this newsletter finds you and yours well and able to join us on **Tuesday, May 19th** for Community Board 14's May WebEx Board Meeting beginning at 5:30 pm. Members of the public can access the meeting via [CB14's YouTube channel](#). The board meeting will be livestreamed and recorded. [Click here](#) to view the meeting agenda. We encourage everyone to subscribe to our channel in order to receive automatic invites to all future online CB14 meetings.

Community members wishing to make announcements during the public session of the meeting must provide that information by email to info@cb14brooklyn.com no later than 12:00 noon on May 19th (the day of the meeting). The information will be read into the record by a member of the Executive Committee. Fliers or other information relevant to the announcement will be added to the CB14 website.

If you have questions, concerns, or requests for the District Office, please do not wait for this meeting to contact us! We are not working from the office, but we are indeed working regular business hours to address community concerns. Email us at info@cb14brooklyn.com or call 718-859-6357 and someone will get back to you as soon as possible.

Covid-19 Resources

Please check www.cb14brooklyn.com/covid-19-resources frequently for City and State announcements, health and employment resources, benefits and food assistance information, small business support, volunteer opportunities and more.

You are encouraged to take part in the virtual town halls and webinars hosted by City agencies, nonprofit service providers and elected officials that are featured on our [Covid-19 Resource page](#).

Face coverings are being distributed in many NYC parks. Check out the new [NYC Mask Distribution map](#) to find a location near you.

For additional resources and help, visit [NYC's Coronavirus info hub](#). Stay involved, stay informed and stay well.

Census 2020

The 2020 Census is underway, yet in many CB14 neighborhoods, fewer than 1/3 of households have responded. It is so vital for every Brooklyn resident to be counted so that our Borough gets the federal support and resources we need to recover from Covid-19 and to thrive in the future! Please encourage everyone to fill out a 2020 Census online form at my2020census.gov today! Let's **Make Brooklyn Count 100%**!
