Dear Community Resident:

Brooklyn Community Board 14 is pleased to announce that Department of Sanitation Commissioner Jessica Tisch has approved additional Sanitation collection services in portions of the district to assist residents in preparation for Passover observances, which commence at sundown on Wednesday, April 5, 2023.

REFUSE: Please refer to the map on the back of this notice. There will be an extra day of collection depending on your block's regular collection days. For areas with regular collection on Wednesday/Saturday, there will be an extra pick up on Tuesday, April 4. For areas with regular collection on Monday/Thursday and Tuesday/Friday, there will be an extra pick up on Wednesday, April 5. Please note that all refuse materials, including chometz, **MUST** be placed at curbside, no later than 9:00 am on Wednesday, April 5.

RECYCLING: In these special collection zones, there will also be an additional recycling collection on Wednesday, April 5 beginning at midnight. All recycling materials must be placed at curbside on the evening of Tuesday, April 4 for collection on Wednesday, April 5 from 12:00 midnight to 8:00 am.

BULK: The Department of Sanitation requires appointments for removal of refrigerators, water coolers, freezers, and air conditioners. Call 311 or visit www.nyc.gov/sanitation to make these collection appointments. In order to ensure pick-up before the holiday, it is suggested that residents schedule pick-ups for appliances by Wednesday, March 22. It is important to prepare early and utilize sanitation services the week before the holiday for bulk items to avoid an excessive volume of debris that could impede planned schedules. All mattresses placed out for collection must be sealed in plastic. Failure to do so will result in a summons.

Special thanks to the Department of Sanitation Brooklyn South Borough Assistant Chief James Miglino; Brooklyn South Deputy Chief George Best; BK 14 Superintendent Robert McKenna; BK14 Supervisor Matt Nickel; and BK14 Sanitation Worker Clerk Jeffrey Schouten, as well as our local elected officials for their assistance in developing the plan.

If you have any questions regarding the Passover supplementary schedules, please call the Community Board 14 District Office at 718-859-6357 during regular business hours.

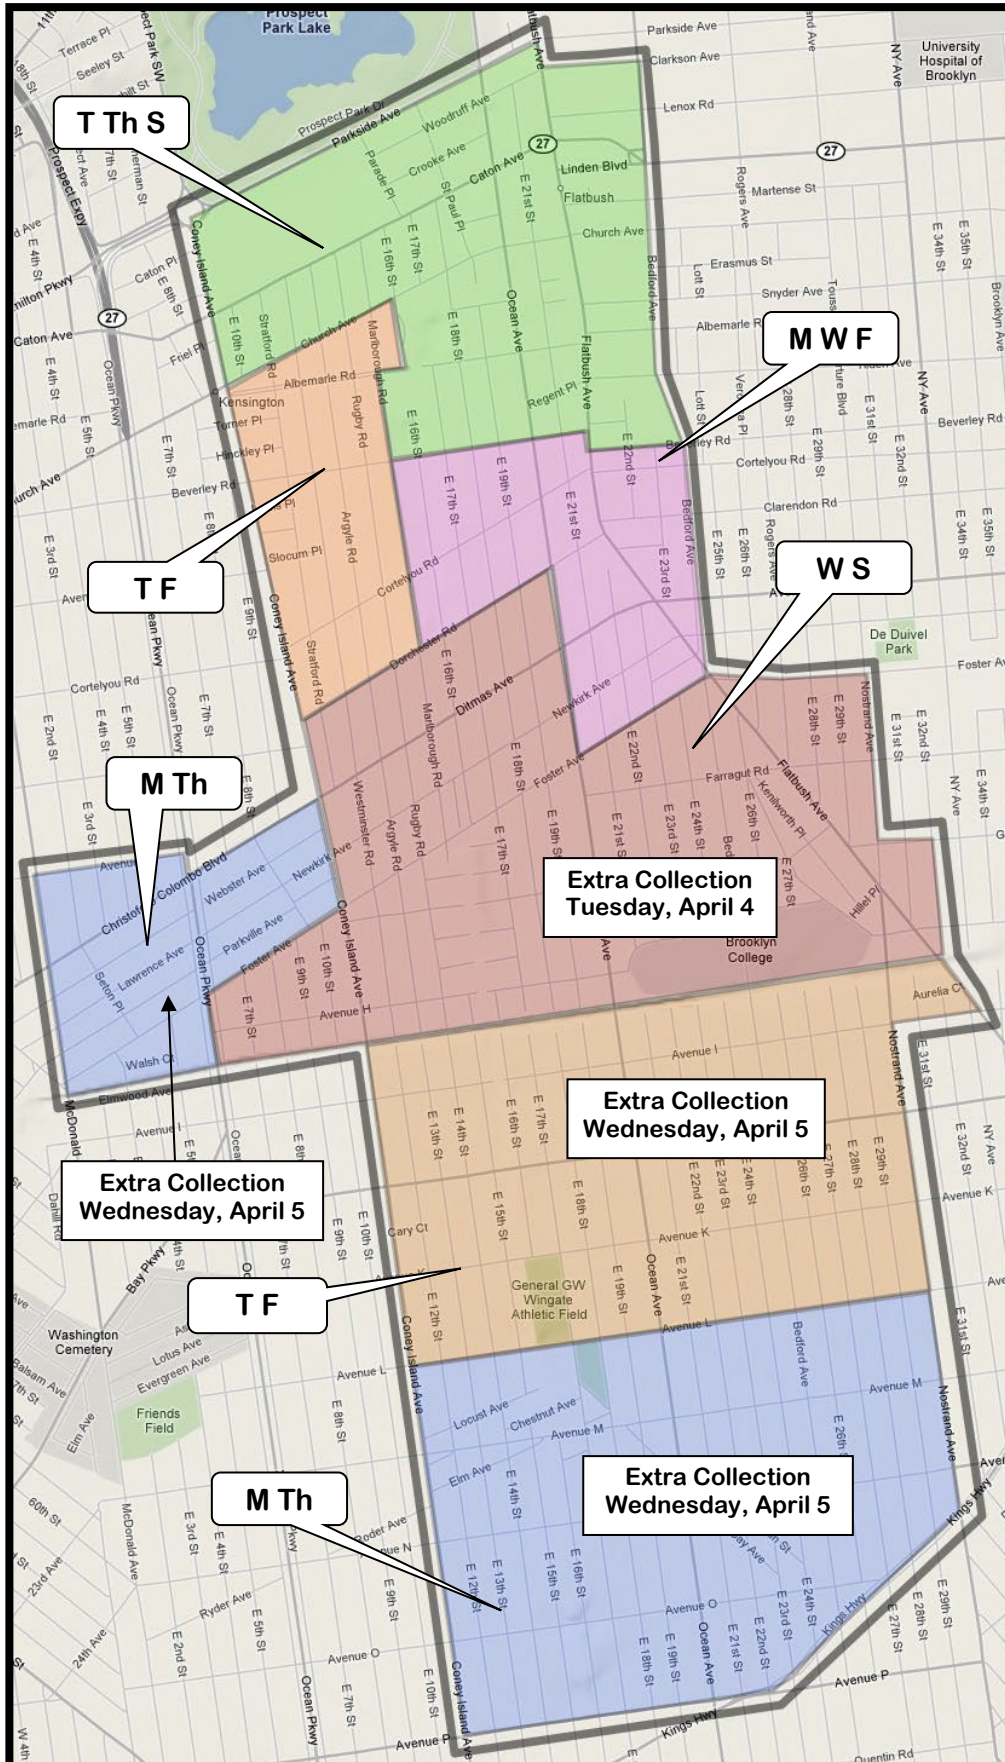

Sincerely,

Shawn Campbell
