Dear Community Resident:

Brooklyn Community Board 14 is pleased to announce that Department of Sanitation Commissioner Jessica Tisch has approved additional Sanitation collection services in portions of the district to assist residents in preparation for Passover observances, which commence at sundown on Monday, April 22, 2024.

**REFUSE:** Please refer to the map on the back of this notice. There will be an extra day of collection depending on your block's regular collection days. For areas with regular collection on Monday/Thursday, there will be an extra pick up on Friday, April 19. For areas with regular collection on Wednesday/Saturday and Tuesday/Friday, there will be an extra pick up on Monday, April 22. Please note that all refuse materials, including chometz, **MUST** be placed at curbside, no later than 6:00 am on Monday, April 22.

**RECYCLING:** In these special collection zones, there will also be an additional recycling collection on Monday, April 22 beginning at midnight. All recycling materials must be placed at curbside on the evening of Sunday, April 21 for collection on Monday, April 22 from 12:00 midnight to 8:00 am. Additional recycling collections are scheduled for the following areas: between Avenue P/Kings Highway to Avenue L and Coney Island Avenue to Ocean Avenue, and between the railroad cut to Avenue L and Coney Island Avenue to Ocean Avenue, will receive an additional recycling collection on Friday April 19. The area between the railroad cut and Avenue L and Ocean Avenue and Nostrand Avenue will receive an additional recycling collection on Thursday, April 18. Please place the recycling materials for collection after 8:00 pm the previous day.

**BULK:** The Department of Sanitation requires appointments for removal of refrigerators, water coolers, freezers, and air conditioners. Call 311 or visit [www.nyc.gov/sanitation](http://www.nyc.gov/sanitation) to make these collection appointments. In order to ensure pick-up before the holiday, it is suggested that residents schedule pick-ups for appliances by Friday, April 12. It is important to prepare early and utilize sanitation services the week before the holiday for bulk items to avoid an excessive volume of debris that could impede planned schedules. All mattresses placed out for collection must be sealed in plastic. Failure to do so will result in a summons.

Special thanks to the Department of Sanitation Brooklyn South Borough Assistant Chief Thomas Sica; Brooklyn South Deputy Chief David DiOrio; BK 14 Superintendent Robert McKenna; BK14 Supervisor Matt Nickel; and BK14 Sanitation Worker Clerk Dane Waldron, as well as our local elected officials for their assistance in developing the plan.

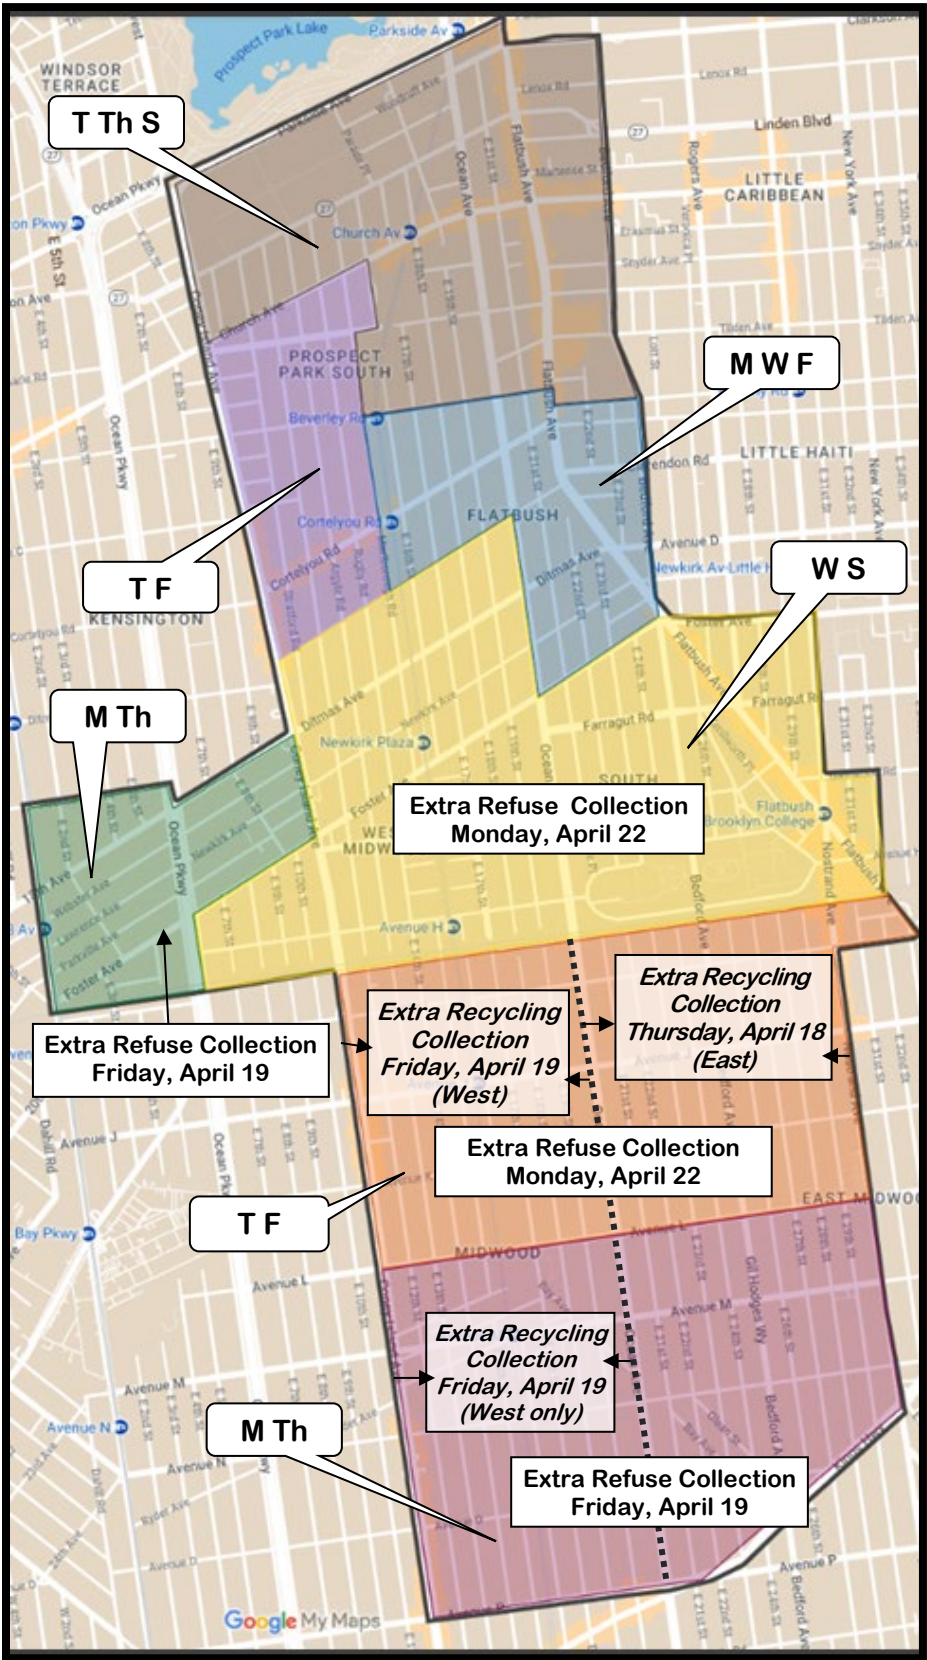

If you have any questions regarding the Passover supplementary schedules, please call the Community Board 14 District Office at 718-859-6357 during regular business hours.

Sincerely,

*Shawn Campbell*  
District Manager
