SHARE YOUR INSIGHTS AND PARTICIPATE IN THE BUDGET PROCESS

Fill out CB14's Fiscal Year 2027 Community Budget Recommendations Survey before September 5, 2025

Each year, as required by the New York City Charter, all 59 NYC Community Boards submit recommendations for the city's capital and expense budgets for the upcoming fiscal year. You can participate in this process to help identify and prioritize our district's critical needs and to suggest new city programs or capital projects.

Participating is easy! Complete the survey online or submit it via mail, email or fax before Friday, September 5, 2025. Feedback will be considered during the public hearing on community budget recommendations for fiscal year 2027, scheduled for Monday, September 8, 2025, just before our Board Meeting. [Learn more about the survey and fill out the form.](#)
