SCA Update

P.S. K134 Addition

205 Webster Ave, Brooklyn, NY 11230

The School Construction Authority's (SCA) mission is to design and construct safe, attractive and environmentally sound public schools for children throughout the many communities of New York City. We are dedicated to building and modernizing schools in a responsible, cost-effective manner while achieving the highest standards of excellence in safety, quality and integrity.

P.S. K134 Addition

New building will be constructed to serve as the addition for P.S. K134.

The building will have 372 seats.

The building will be a fully accessible, air- conditioned, state of the art facility.

P.S. K134 Addition Construction Timeline

The design process is starting. This phase is approximately 12 months. The bid and award phase will follow, with a duration of 3 to 4 months.

Construction of the new addition will take approximately 24-36 months.

We anticipate that the addition will be open for occupancy in September 2030.

Thank You!
