## **NO TRASH, CURBSIDE COMPOSTING OR RECYCLING COLLECTION ON MEMORIAL DAY, MONDAY, MAY 25, 2026**

The New York City Department of Sanitation announced that in observance of Memorial Day, there will be NO trash, curbside composting nor recycling collection on the holiday, Monday, May 25, 2026.

Residents who normally receive Monday trash, curbside composting, or recycling collection may place their material at the curb Monday evening for collection beginning Tuesday, May 26. Residents should understand collection delays may occur after holidays. We appreciate patience as we work to collect the backlog of material.

## **NYC BIN REQUIREMENT BEGINS JUNE 1**

## **ENFORCEMENT STARTS IN SEPTEMBER**

Starting June 1, 2026, properties with 1–9 residential units and certain special-use buildings receiving DSNY collection will be required to use the official NYC Bin for trash set out. This includes houses of worship, nonprofits, City agencies, and professional offices located in residential buildings. Failure to use a NYC bin with a secure lid for trash setout may result in fines.

DSNY announced that a warning period will remain in effect through September 7, with full enforcement beginning Tuesday, September 8, 2026.

Official NYC Bins are designed to be rodent resistant and compatible with DSNY's mechanical collection equipment. New Yorkers have already purchased more than 1 million bins citywide. DSNY notes that demand has increased in recent weeks and supplies are being restocked daily at NYC Home Depot locations.

Buildings with 1–9 units may continue using existing bins with secure lids that are 55 gallons or smaller until June 1. After that date, only official NYC Bins may be used for trash set out.

### **Information sessions:**

## Cost of Doing Business in NYC Survey

### Annual Survey from the NYC Department of Small Business Services

Small businesses are the backbone of our economy, and right now, too many are being pushed to the brink. Mayor Maimdani has made affordability a cornerstone of his administration, and that commitment extends to the small business owners and entrepreneurs who power our local economy.

**We want to hear directly from you.** Over the past 12 months, what has it actually cost to run your business in New York City? What challenges have you faced?

Your feedback is essential and the survey will only take around 10-15 minutes. The insights you share will directly inform our programs, guide our advocacy, and help us take measure progress as a city. All responses are anonymous unless you choose to share your contact information for follow-up.

## Buses will no longer take coins as payment

Later in 2026, MTA buses will no longer accept coins as fare payment. Instead, you can tap and ride using your phone, contactless debit or credit card, or your OMNY Card.

You can load an OMNY Card with paper money or coins at OMNY vending machines in subway stations or at stores near you like Walgreens and CVS.

Tapping with your phone, credit or debit card, or OMNY Card makes boarding and riding the bus simpler and faster, and it saves you money through our fare-capping program. If you pay for 12 trips with the same device or card in seven days, the rest of your trips in that seven-day period are free.

See back for more
